Supplementary provision for payout to the civil partner

1. Basic principle

The lump sum payment is specified in Art. 16 of the Regulations. In principle, civil partners should be treated exactly the same as marriage partners and all the conditions for the payment of a lump sum should be at least the same for both married and civil partners.

2. Supplementary provisions

The following provisions apply in addition to Art. 16 of the Regulations:

- 1. In the case of decease, entitlement to a lump sum payment exists as long as the criteria stipulated in Art. 16 of the Regulations are met and the current conditions are satisfied at the time the payment is made.
- 2. The (civil) partnership must be registered in writing with the Pillar 3a Foundation in the form of an officially certified partnership agreement. A specimen agreement drafted by the Foundation should be used for this purpose, which must be signed by both partners and forwarded to the Foundation while both partners are still alive.
- 3. The Foundation must be notified immediately in writing if there is any amendment or nullification of the partnership. If the amendment or nullification of partnership is notified too late, or not at all, to the Pillar 3a Foundation, the Foundation shall not be held liable for benefits already paid out.
- 4. In the event of marriage or if the partnership is nullified there is no longer any entitlement to a lump sum payment pursuant to Art. 16 para 2, letter b, point 2 of the Regulations.
